Concrete Bench DeLuxe Anthracite

Product code: BB.DL.A

£ 1,825.00 excl. VAT
(£ 2,190.00 incl. VAT)

With a very subtle, but sleek appearance, this DeLuxe anthracite concrete bench with bamboo seat does not resemble concrete, but nothing could be further from the truth. The concrete bench is made from one piece of concrete, which makes it sturdy and weather-resistant. The smooth anthracite lacquer layer gives this concrete bench its modern look. The fact that the seat is mounted blindly also helps in its refinement. Chic, comfortable and solid seating are perfectly combined in this concrete bench.

The concrete bench deluxe anthracite with bamboo seat offers safety

The DeLuxe anthracite concrete bench with bamboo seat looks refined, but is not inferior in solidity to HeBlad's other benches. In addition to providing seating, this concrete bench is also ideal to use to demarcate an area or to place to protect a vulnerable part of your building against ram raids.

Combining is easy with the concrete bench deluxe anthracite with bamboo seat

The sleek design of the DeLuxe anthracite concrete bench with bamboo seat makes this bench easy to combine with other products specifically designed for the outdoors.
The HeBlad foot volleyball tables will look great when this concrete bench is placed next to them. Sports enthusiasts can rest on the concrete bench between games, fanatic supporters contribute to fun and turn your field into a beautiful eye-catcher.
