In case you are already owner of a table football game from HeBlad, then it is possible to change the look of the table completely by changing the colour of the figures and scoreboard.

A winning idea is e.g. to use the colours of a local football club. You have a choice of 8 different colours.

The sets will be delivered completely with fixing material. You easily change the figures and scoreboard with the attached hex key.

If you want to order a replacement of your figures of a different brand of football table with HeBlad players, you have to make sure that the turning bars and the bar of the scoreboard both have a diameter of 16mm.
