# Park Bench with bottom plate Anthracite-Concrete

Product code: BB.PBAB.OP

**£ 2,300.00** excl. VAT
(£ 2,760.00 incl. VAT)

With a seat and backrest made of pressed bamboo and anthracite-coloured concrete, this anthracite concrete park bench is ideal for placing in parks and lawns. The base plate associated with this concrete park bench, together with the leg and back supports, are cast from one piece of concrete. A pleasure to the eyes, practical to install and maintain and perfect for sitting.

Concrete bench from HeBlad

HeBlad products are known for their strength and long lifespan. Through years of experience in making benches, game tables and other concrete products, we know exactly which specializations are needed to make the user satisfied. This starts with the advice we give and continues through to the delivery of our products.

Delivery of the anthracite concrete park bench

Because almost all our products are available from stock, you can use your park bench within a couple of weeks after placing your order. We use a loading/unloading crane with a reach of up to five meters to deliver the park bench. If necessary, the remaining distance is covered by rolling with a pallet truck. If you are unsure whether you have the space for the crane, please contact HeBlad first so we can discuss the options for your location. You may also wish to regard the delivery conditions we've drafted.

eye-catcher next to your concrete bench. This foot volleyball table guarantees fun and is a true jewel for your location thanks to its shape and colour. Foot volleyball is a relatively new game that is a combination of football and table tennis. Unlike table tennis, here the ball is played with the feet.
