

Park Bench with bottom plate Anthracite-Concrete

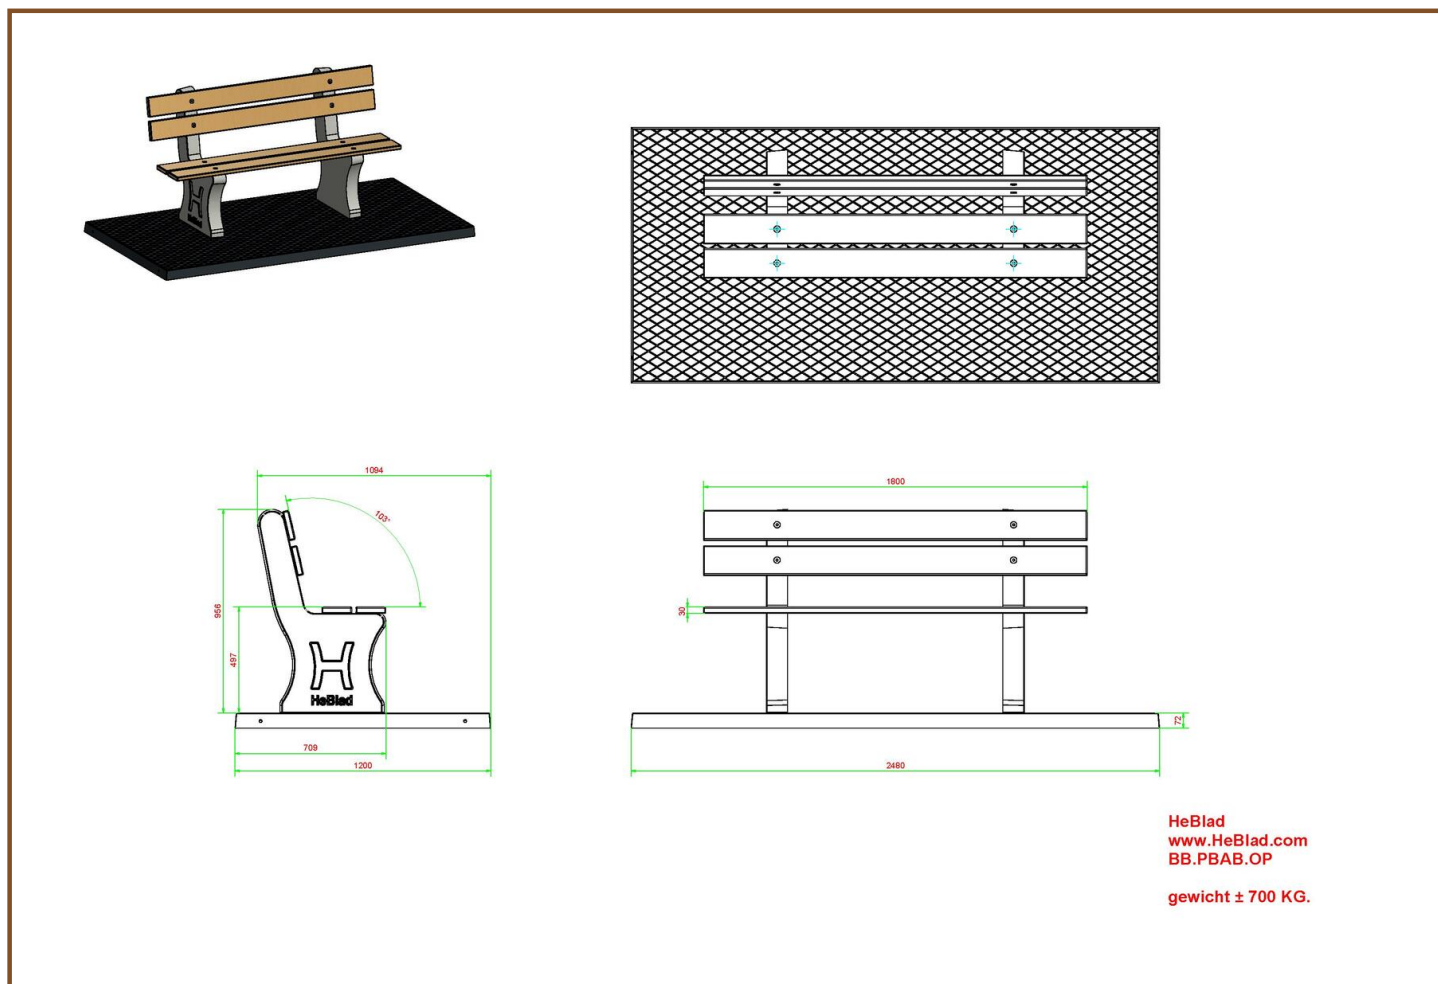

Product code: BB.PBAB.OP

£ 2,250.00 excl. VAT

(£ 2,700.00 incl. VAT)

This park bench coloured through and through in anthracite is ideal for communities and park management. The benches are eye pleasing and above all extremely strong through the solid construction of the heavy legs. Because these legs are moulded in one piece together with the bottom plate you get a hardening underneath the bench as well.
