With this beautiful bench in anthracite-colour, you can arrange a schoolyard in a playful manner.
This bench can be placed in a winding form over the schoolyard or around a tree as a tree bench. Looking at the reference pictures of this model you surely get more ideas.
This concrete bench is not lacquered or painted, but moulded anthracite-coloured concrete, whereupon the bench has this colour through and through.
The heavy weight makes it possible to use the bench as a separation.
