This way you can offer your customers extra playing pleasure during their stay at your campsite.

Accessories from HeBlad

Every HeBlad game table, ping pong table, foot volleyball table or table football table comes with accessories to play the game properly. Each table is supplied with the associated accessories as standard, but these parts can also be ordered separately. This way you ensure that you always have the right materials to play the games. Just like HeBlad's gaming tables, the accessories are also made from raw materials that can be used outdoors without losing their colour or shape. HeBlad stands for reliability and honesty.

What is the delivery time of the plastic bats (10 sets)

When you place your order, we will ship your order immediately the next working day. If you have ordered the accessories from a gaming table, we will deliver everything in one delivery. Because we design, produce and deliver everything in-house, delivery times are short and communication is clear. If you have any questions about HeBlad's delivery conditions, products or accessories, please contact us.
