Chess Tile Natural Concrete
Product code: GT.CH.T
This chess tile is ideal for small schoolyards and other places with restricted space. The measurement of this chess tile is $59,5 \times 59,5 \mathrm{~cm}$. This tile is slitghly smaller than the dimension of 4 paving stones. After removing 4 paving stones the chess tile fits perfectly into the created gap. Compared to a table the chess tile is free of any obstruction, it does not occupy any space and you can walk and ride over it without any problem.
**With an order of one chess tile you receive 2 sets of chess pieces free of charge.
