## Ping-pong table Anthracite-Concrete

Product code: PP.AB
$£ 2,750.00$ excl. VAT
( $£ 3,300.00$ incl. VAT)

For those who want a Ping-pong table in a decent color, we also have a version in Anthracite-Concrete.
The table is made of anthracite colored concrete, through and through. Just as solid as all other HeBlad tables and also moulded in one piece of solid concrete.
A beautiful asset at school yards, at campsites or the relax area of your sports club.
When you acquire this Ping-pong table, we guarantee you years of playing fun.
