Ping-pong table rounded, Anthracite-Concrete

Product code: PP.AR.AB

£ 3,000.00 excl. VAT
(£ 3,600.00 incl. VAT)

Chic, natural and robust. A table tennis table with rounded corners in a beautiful anthracite colour. Less striking than the blue or green version, this colour actually gives a chic look. Of course, this table, just like the classic version, is made of solid concrete. When do you choose the table with rounded corners? When your goal is to go for safety! The chance of bruising with this ping pong table is smaller than with the classic model because the corners of the ping pong table are rounded. A robust, sturdy, outdoor table tennis table where young and old can participate in a game 'around the table'.

Guaranteed fun with the ping pong table with rounded corners

How does Heblad guarantee quality? All Heblad ping pong tables are equipped with top and bottom reinforcement. Just like our other game tables, this table tennis table with rounded corners cannot be dismantled. The entire table - the table top, the net and the legs - is cast from one piece of concrete. This means that the risk of damage is minimal and we can guarantee years of fun on our concrete game tables. This table tennis table in anthracite-concrete colour with rounded corners has a chic look. The concrete ping pong tables from Heblad will give you a lot of table tennis fun for a long time!

Combine concrete table tennis table

This table tennis table provides a lot of fun. And especially when you combine this game table with other game tables at your location. Or how about a game table where you can play chess or checkers? Or add a picnic set! Do you have the space and would you like to encourage exercise? Then consider adding the

Heblad game tables for foot volleyball or table football to your space. In this way you create an active, pleasant playing environment in the outdoor air.

Variants of table tennis tables

Are you looking for a concrete table tennis table with rounded corners, but would you rather choose a different colour? Then consider the blue and natural versions. Or would you prefer a different shape? That's also possible! In addition to the rounded corners, we also have the classic version without rounded corners and even an elegant round version. In all cases, you choose a sustainable product with Heblad products. Please feel free to contact us for any questions about our products!

Wheelchair users enthusiastic about the HeBlad table tennis table

The concrete table tennis table with rounded corners is not only a feast for the eyes but also a paragon of user-friendliness. The robust design offers years of enjoyment and is surprisingly wheelchair-friendly. The height and space beneath the table top ensure that wheelchair users can participate just as easily as anyone else. This makes table tennis a sport for everyone.
