## Bench standard oval anthracite

Product code: BB.STA.OV

In addition to its function as a partition, this concrete bench can also be used as a seat. Because the bench does not need to be anchored to the ground, it is ready for use immediately upon delivery. The anthracite colour (spray-painted in high-quality lacquer) gives the concrete bench a warmer appearance. Extremely suitable for use as a boundary/partition on a schoolyard. The shape makes it possible to create many playful arrangements.
