Product code: PS.ST.GT.132

£ 4,000.00 excl. VAT
(£ 4,800.00 incl. VAT)

Cast from one piece of concrete, seating for at least six people and no fewer than three different game options. And all in one dazzling picnic set. Because this multi-game table comes with chess pieces, checkers and ludo pawns as standard, you are immediately assured of gaming fun. The game boards are integrated into the table top, which makes the table ideal for use as a regular picnic set when the games are not being used.

Concrete multi-game table (1-3-2) standard

The fact that the multi-game table is standard in natural concrete does not mean that it is not available in multiple colours. Like so many of HeBlad's products, this game table can also be ordered in anthracite concrete colour. For a little more seating comfort, choose the DeLuxe anthracite concrete multi-game table. The bamboo seat on the DeLuxe version gives the seating area more softness, while the bamboo is also weather resistant.

Mix with the multi-game table (1-3-2) standard

If you choose to order multiple multi-game tables at the same time, you will receive an attractive discount. Don't hesitate to contact us to inform about the options and discounts we offer when you combine multiple HeBlad products.

For a playful effect on your site, you could opt for separate game tables from HeBlad. For example, the checkers table natural concrete for 2 persons, the chess table anthracite concrete for 4 persons, the ludo table natural concrete or one of the other variants of the game tables. You decide, you choose and mix
