

Ping-pong table rounded, Natural Concrete

Product code: PP.AR.NT

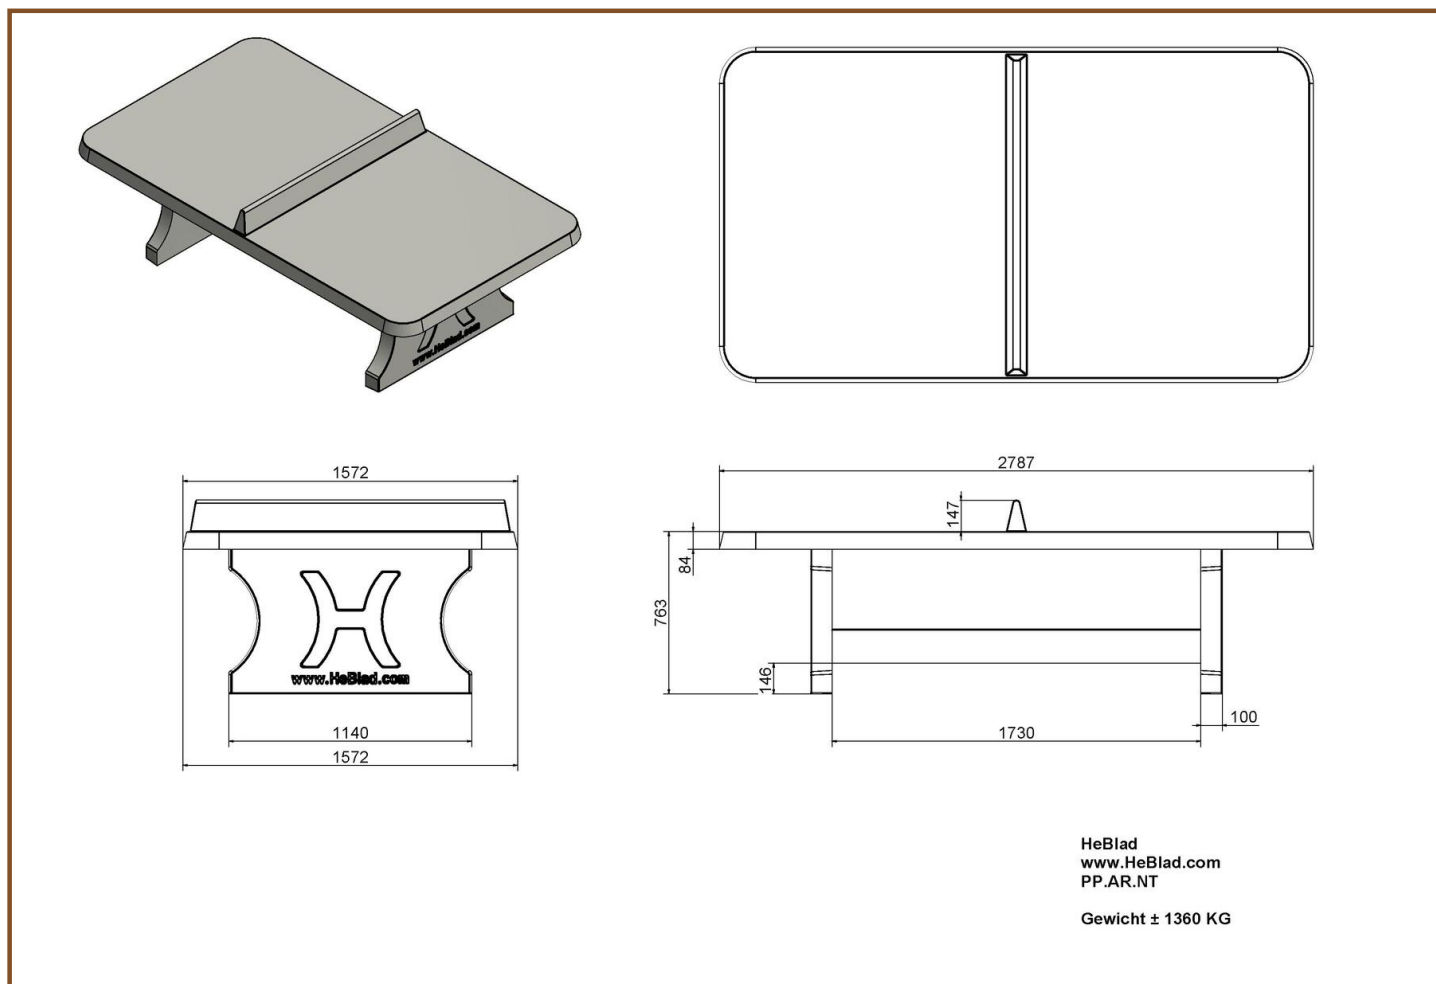

£ 2,700.00 excl. VAT

(£ 3,240.00 incl. VAT)

This concrete ping-pong table with rounded corners is uncoated, thus natural concrete. Because of the rounded corners running around is much more safe and a normal game of ping-pong is possible at the same time. This table is also used for several other purposes.

As well as all the other tables this product is also provided with steel reinforcement above and below and moulded in one piece. Because our tables are sturdy a larger group of people can easily jump on them without damaging the construction.

Our products are delivered from our factory in the Netherlands. 25 April 2024 - Prices subject to change
