Multi Gaming table (1-3-4) DeLuxe Anthracite-Concrete

£ 4,450.00 excl. VAT
(£ 5,340.00 incl. VAT)

Product code: PS.DLAB.GT.134

Are you having trouble choosing from HeBlad's wide range of gaming tables? Do you like board games and spending time outdoors? Then look no longer! The multi-game table (1-3-4) Deluxe anthracite concrete is exactly what you are looking for.

Why a HeBlad product?
Of course you can place a regular picnic set at your location. Beautiful and a true asset to your site. Specifically to increase the solidarity of visitors and to offer a challenge to users of the table, HeBlad has designed a wide range of game tables, ping pong tables, foot volleyball tables and table football tables. HeBlad products are made of robust concrete and specifically intended for installation in outdoor areas. You can find our products in both public spaces and private areas. Resistant to all weather influences and impervious to vandalism and theft.

Choose the multi-games table
Because we like to respond to the needs of our customers and we notice that making choices is not always easy, we have developed the multi-game table. Available in different variants, including this 1-3-4 model in anthracite concrete colour with bamboo seats. What does 1-3-4 mean? The numbers we use represent the games that are integrated into the table top. 1 stands for chess, 3 for ludo and 4 is backgammon. By choosing the multi-game table you are assured of a lot of gaming enjoyment for visitors, passers-by or avid board game players. But it is also a very comfortable and beautiful picnic table. With the perfect seat and table top height, you can sit comfortably, even when the board games are not being used. When you order a multi-game table, you will always receive the corresponding pawn sets and dice.

30 October 2026 - Prices subject to change

Our products are delivered from our factory in the Netherlands.
