Repair kit ping pong table Blue

Product code: HB.Repair.PP.BL

HeBlad offers a handy Repair Kit with which you can carry out the necessary repairs yourself. This kit is suitable for table tennis tables in blue, but suitable solutions are also available for the green and other anthracite-coloured variants.

Return your table tennis table

HeBlad also offers the option to return your table tennis table when purchasing a new table tennis table. When the new table tennis table is delivered, they will take your old table tennis table with them. If you would like to learn more about this option or have any questions about costs, please feel free to contact us for more information.

Instructions for the repair

If you would like to carry out the repair yourself, you will receive an instruction leaflet with the repair kit. It is wise to read this first and, if necessary, also watch the accompanying instructional video before starting the repair.

If you have any further questions or need assistance, our team is here to assist you. Please contact us for this.
