Picnic table DeLuxe Natural Concrete Wheelchair accessible

£ 2,800.00 excl. VAT
(£ 3,360.00 incl. VAT)

Product code: PS.DL.RT

The DeLuxe concrete picnic table from HeBlad is chic, sturdy and wheelchair-friendly. Like all other HeBlad products, HeBlad picnic sets are made from one piece of concrete, extremely strong and a true feast for the eyes. We believe that everyone should be able to sit at this beautiful set, so we made the DeLuxe concrete picnic set wheelchair accessible.

Special dimensions for wheelchair-friendly picnic table

To ensure that almost every wheelchair can actually sit at the picnic table instead of next to it, the tabletop has been placed higher and made longer. This gives a free space of 60 cm deep and 70 cm high at the end of the table. The overhang of the tabletop is extremely sturdy and can therefore withstand a blow.

Picnic set with bamboo seat gives a luxurious look

At HeBlad, DeLuxe stands for a refined seating area made of bamboo. The DeLuxe wheelchair accessible picnic set is made of extremely strong concrete and elegantly finished with bamboo seats. Just like concrete, bamboo is not sensitive to weather influences, so the materials remain beautiful and strong. The bamboo offers the user a soft surface for extra seating comfort. Various benches from HeBlad are also available in the DeLuxe version and can be perfectly combined with this picnic set. The picnic set DeLuxe anthracite concrete wheelchair accessible also fits nicely with the natural concrete version. Same specifications, but in a darker colour.
